110/18	Jeans / Heavy Canvas	16 oz raw denim, upholstery canvas, multi-layer duffel straps	30 wt extra-strong polyester | 3.5–4.0 mm	Heavyweight
90/14	Leather (Wedge Point)	Genuine leather tabs, suede patches (NEVER faux leather or vinyl)	30 wt–40 wt bonded nylon or polyester | 3.5–4.0 mm (never short stitches)	Specialty
80/12 (4.0 mm)	Stretch Twin (Double)	T-shirt hems, knit neckbands, leggings cuffs	Two 50 wt spools on top + 50 wt in bobbin | 3.0–3.2 mm straight stitch	Knits

STUDIO NEEDLE REPLACEMENT RULES:

1. Swap to a fresh needle after every 8 hours of stitching (or after every heavy canvas tote or silk project).
2. Skipped stitches on knits usually mean you need a Stretch needle; loud thumping on canvas means step up to 90/14 or 100/16.
